1.

Operating Theatre

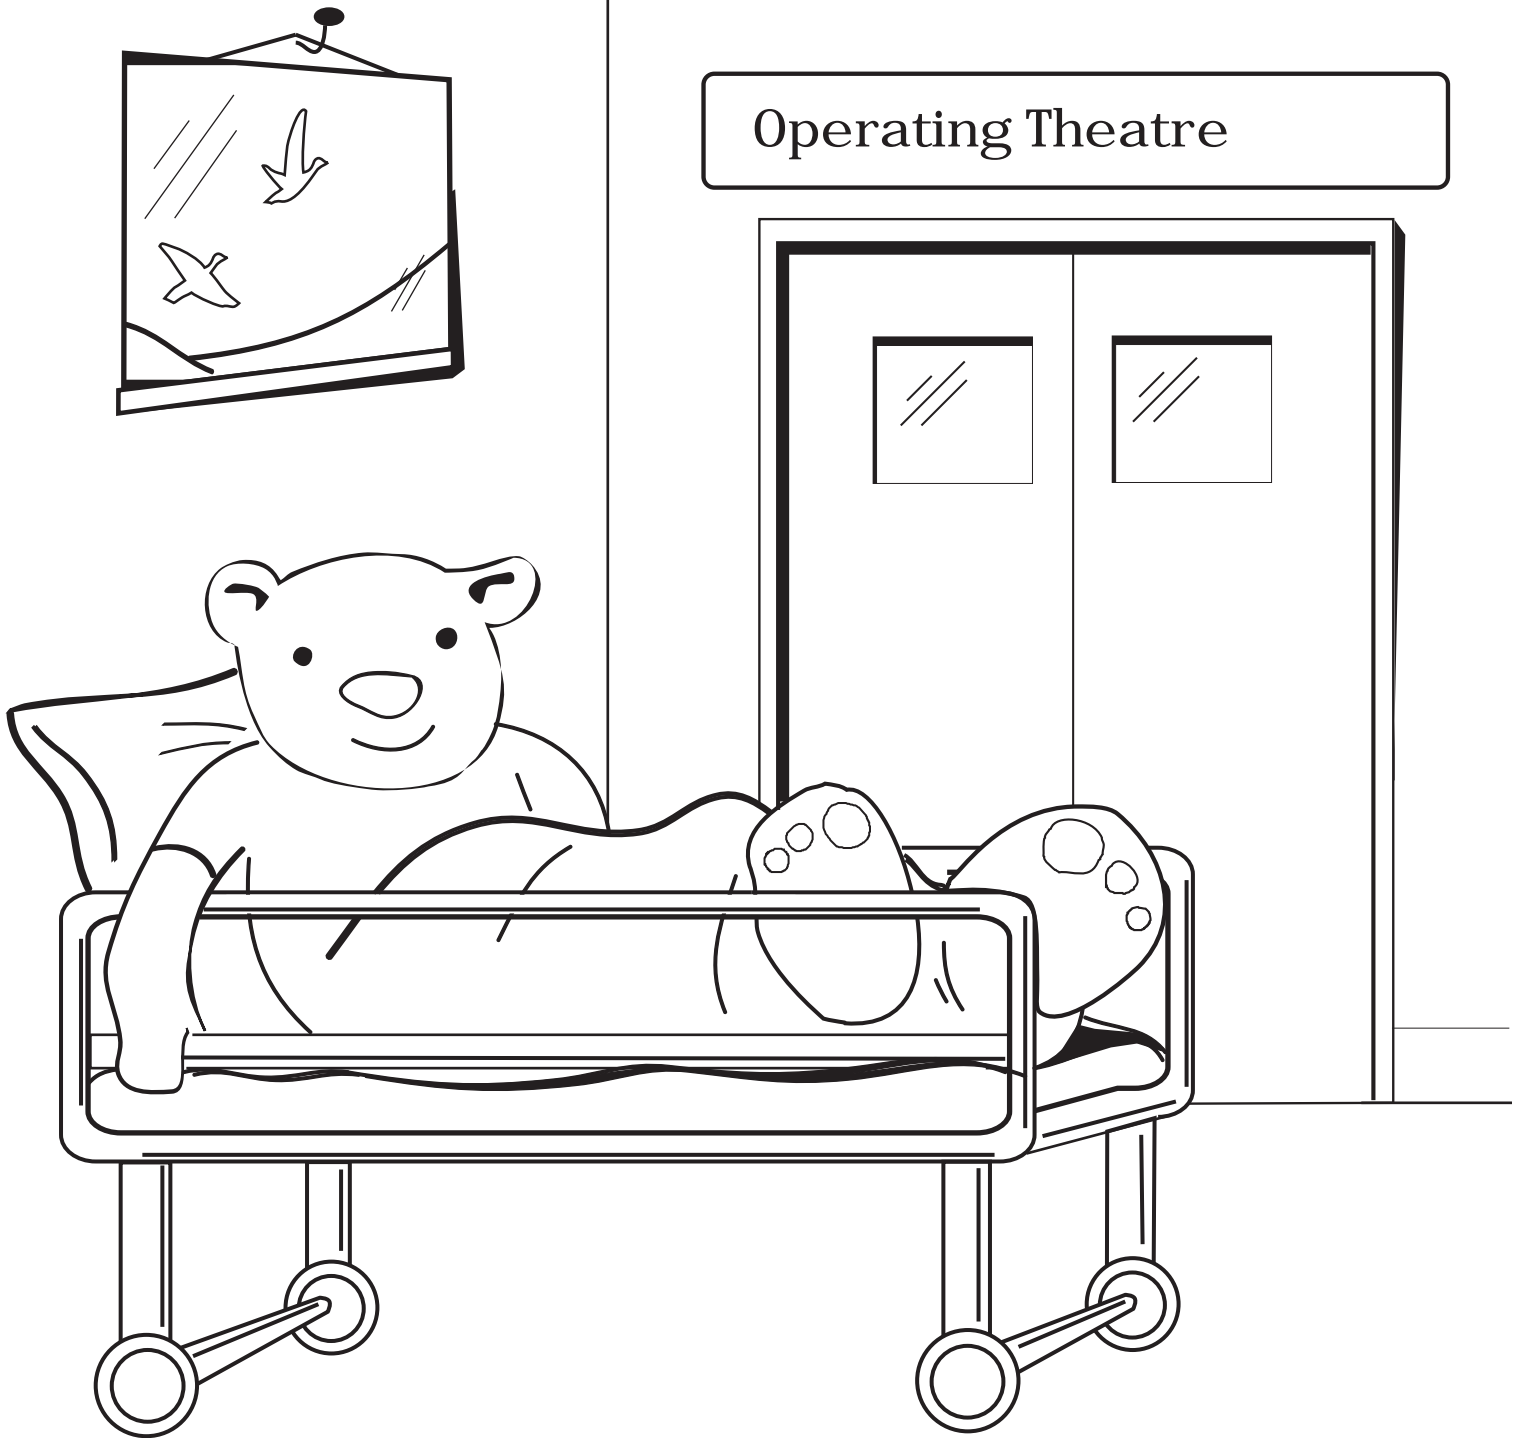

Today, Baggins the Bear

is going to an Operating Theatre.

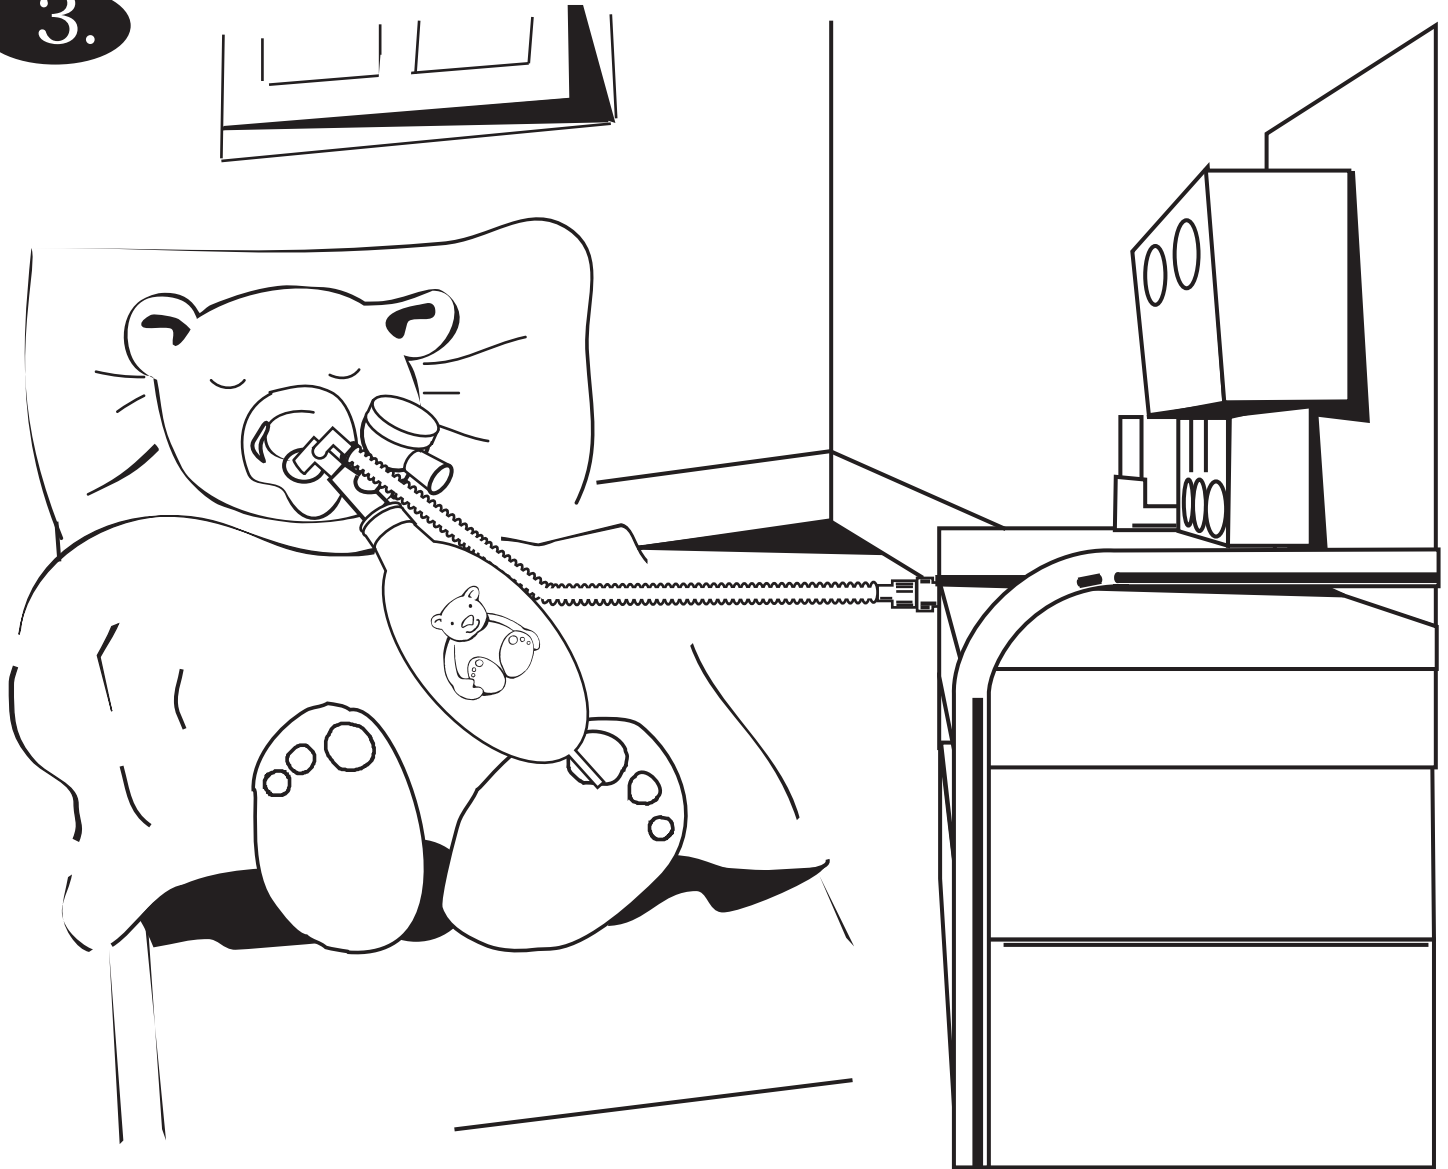

This is a place where boys and girls just like you go to have their operations when they are in hospital.

2.

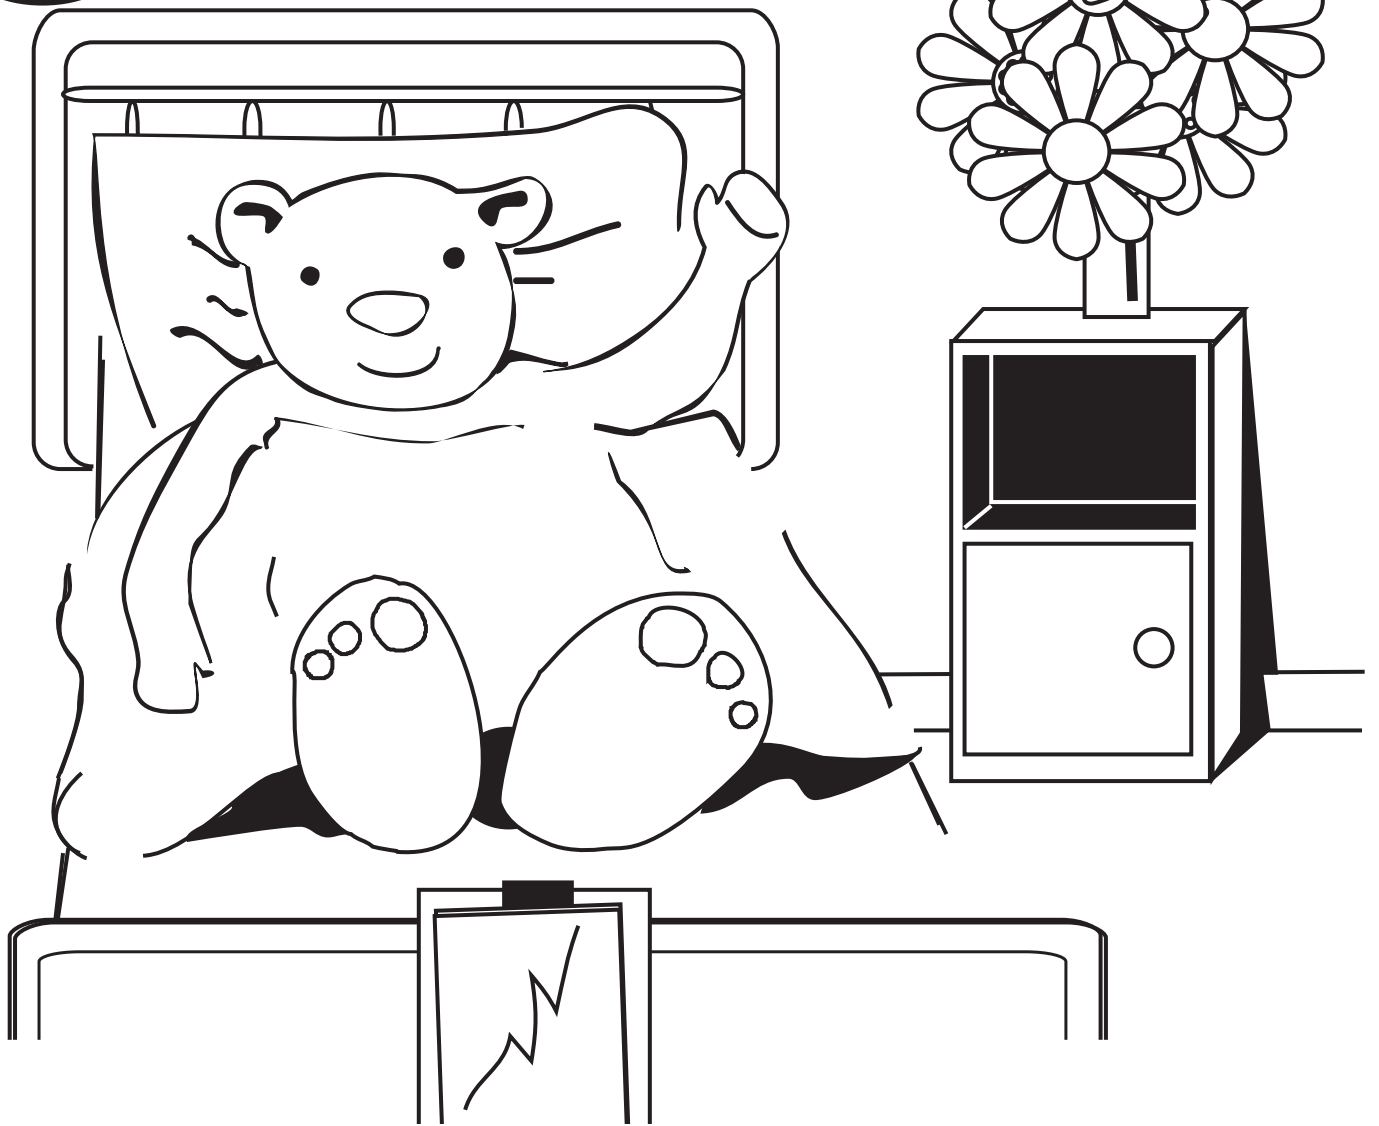

Baggins the Bear wears a special gown and he gets to have a ride on a trolley.

3.

Baggins the Bear arrives in a special room called an anaesthetic room, there he sees a picture of himself on a balloon shaped bag. Can you see him? The doctor asks Baggins the Bear to breathe into a mask. Within a few seconds Baggins the Bear is fast asleep.

4.

When Baggins the Bear wakes up, he is back in the Ward with all the other boys and girls. Very soon Baggins the Bear will be going home, just like you.

Don't forget to look out for Baggins the bear when you go to Theatre.

Bye bye.

A message

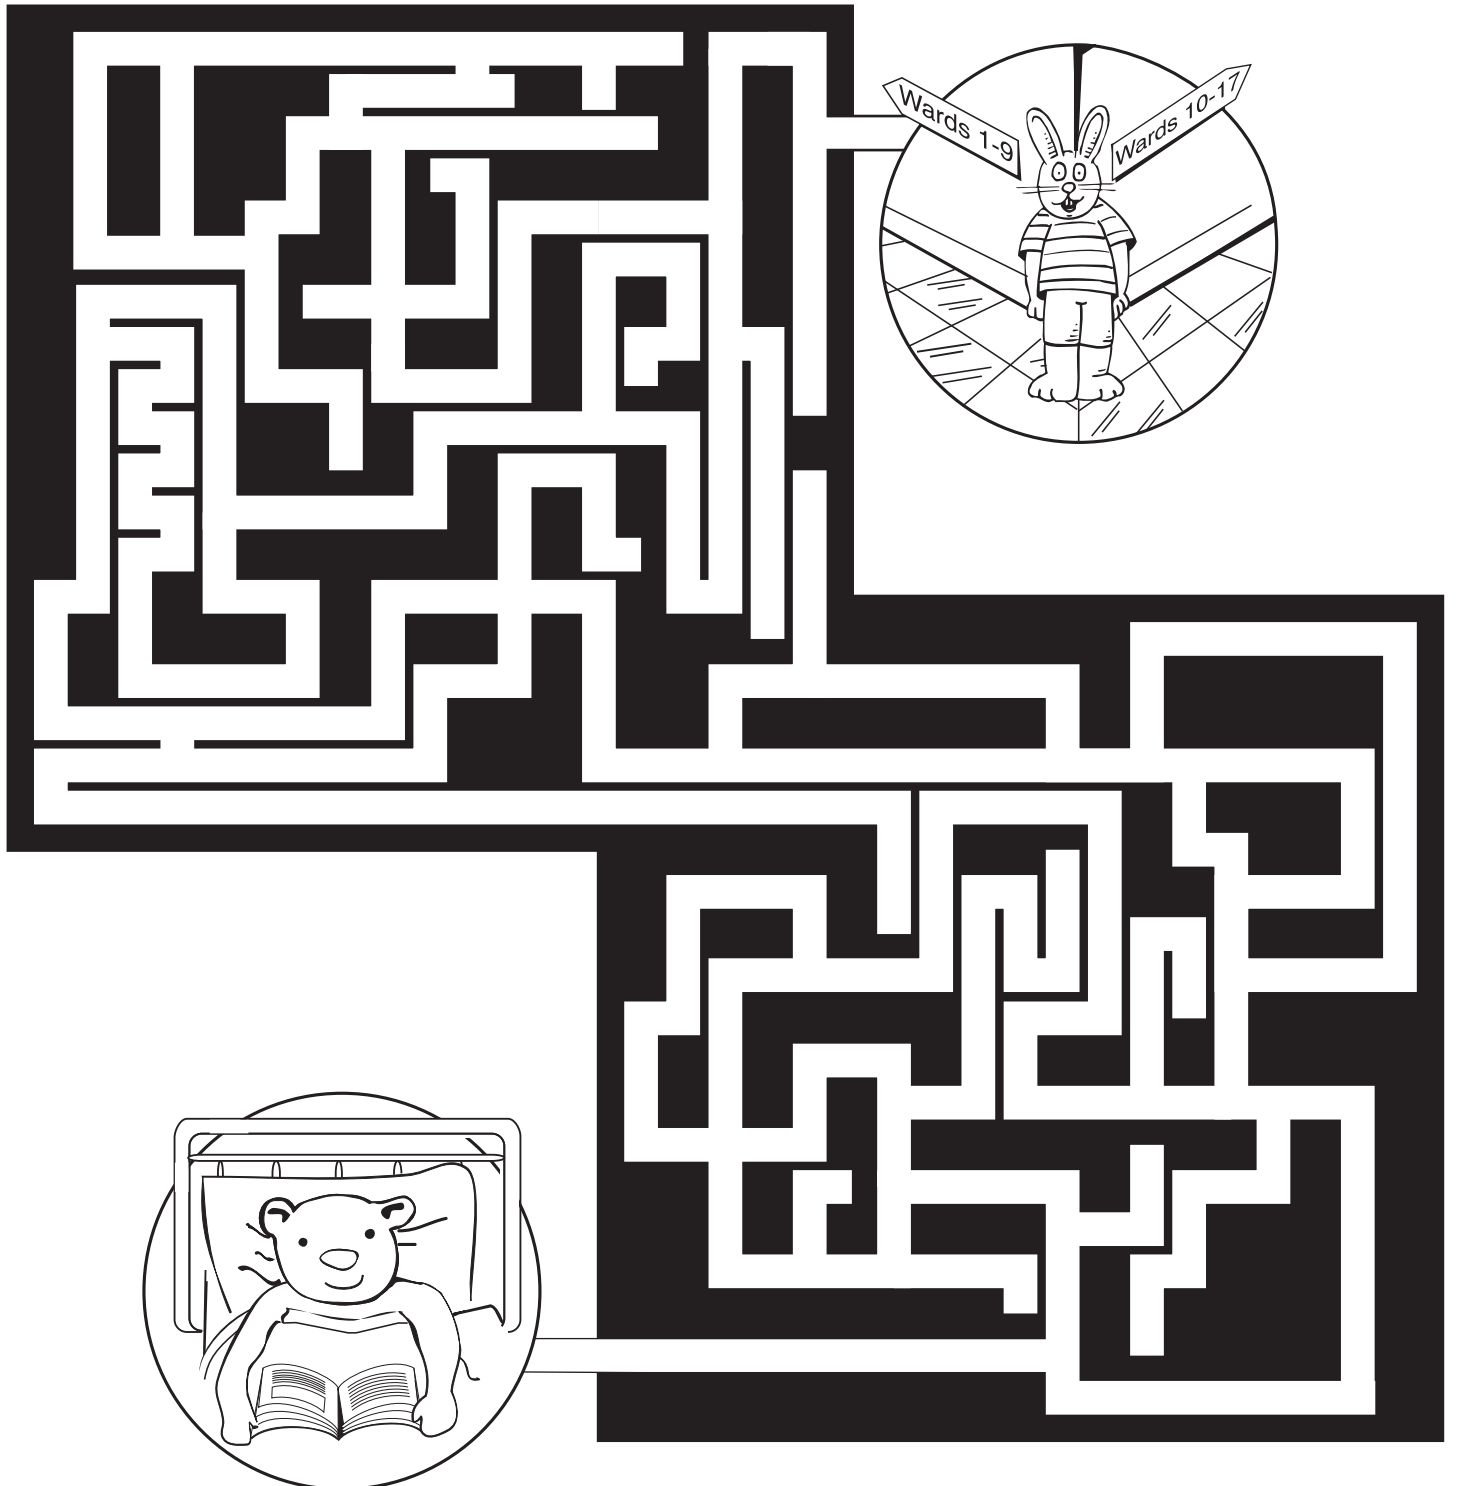

"Hi kids, when you have read my story and finished colouring me in why don't you try these puzzles. If you find them hard don't be afraid to ask a friend, your Mummy or Daddy or a nurse to help you.

I'm going to go home soon and I hope you will too. Until then have fun and get well soon."

Baggins

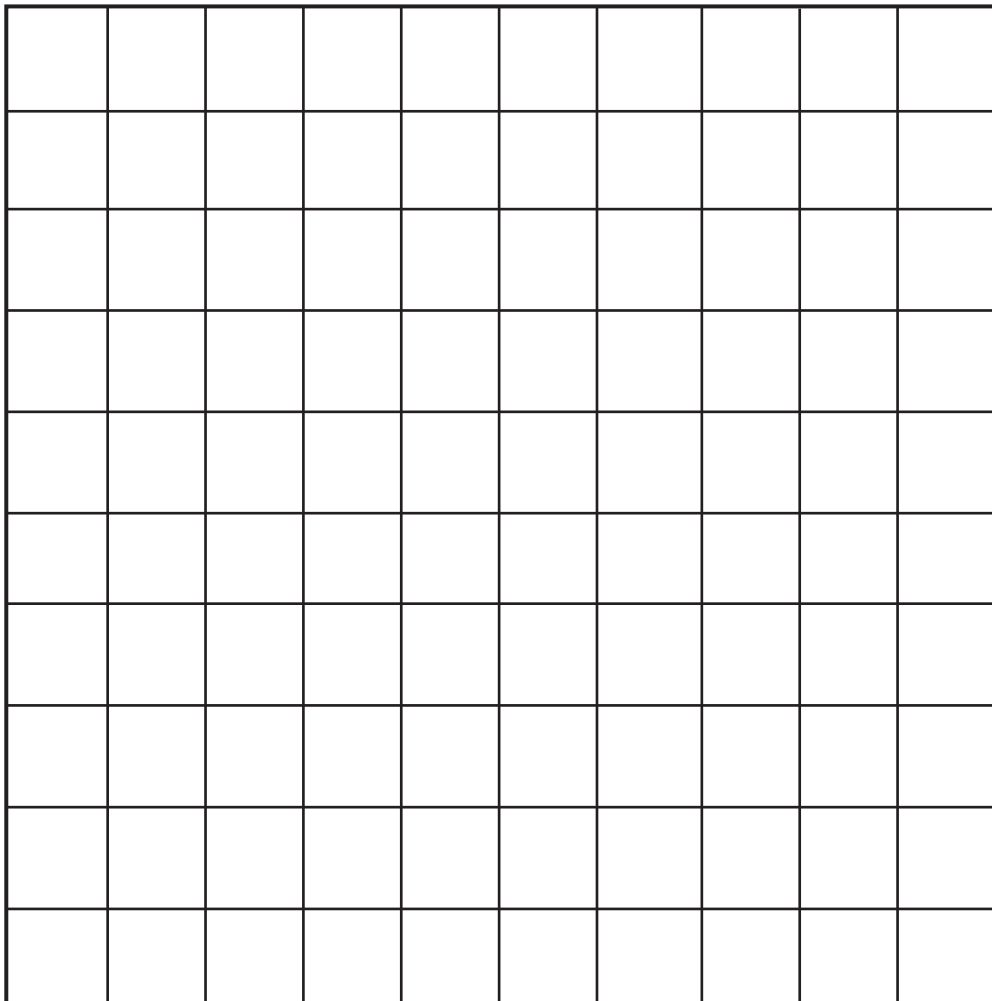

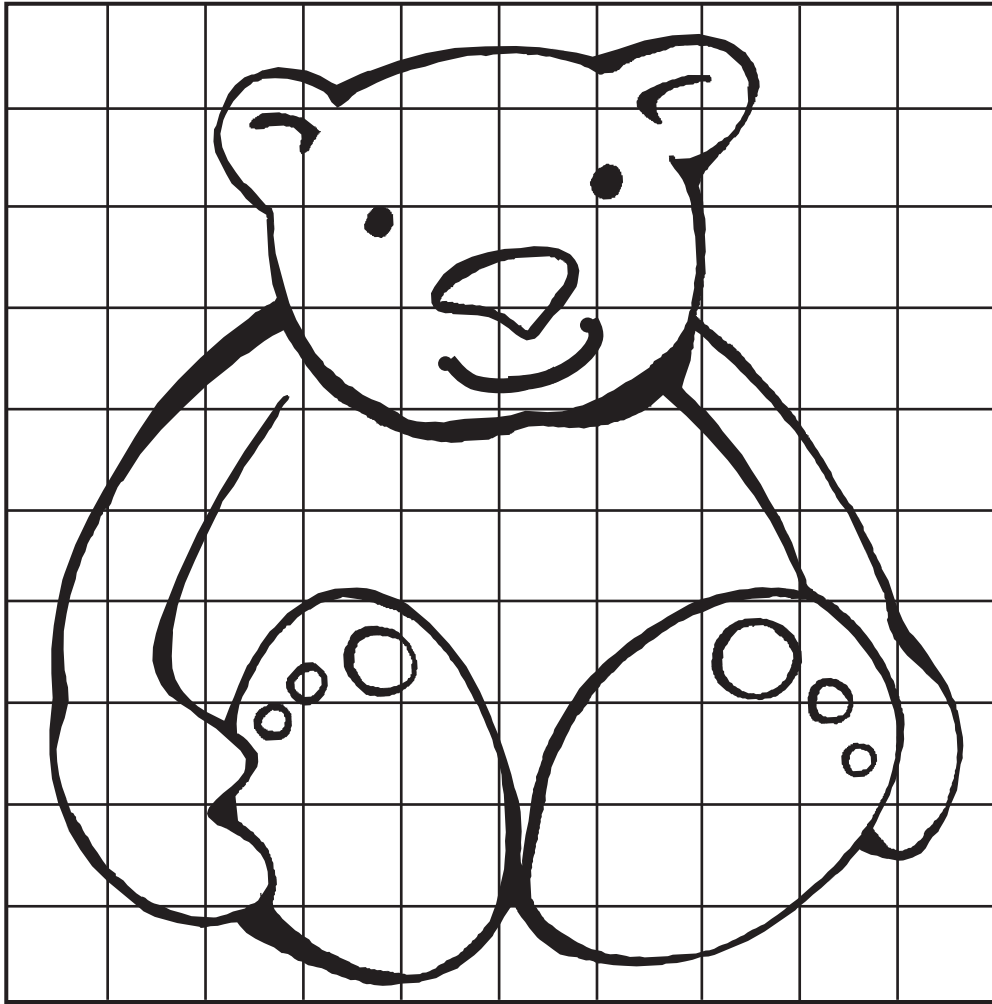

Amazing maze
