Privacy policy of the Intersurgical website

By accessing and using this Site, you hereby agree to the terms of this Privacy Policy. If you do not agree with this Privacy Policy, please exit from this site.

Non-personal information collected automatically

Intersurgical Ltd. (hereafter referred to as Intersurgical) is committed to the protection of the privacy of its web site visitors. Please note that we monitor statistics about our users, traffic patterns, and site performance information, but these statistics are not shared with third-parties and do not include any personally identifying information.

Personal information

In order to respond to your enquiries or manage future interactive user functions it may be necessary to ask for personal information such as your name, address, e-mail address and telephone number. We may use this information to respond to your requests or to contact you via mail, e-mail or phone to inform you of new products, services or promotions that we offer. If you request a service or submit content to this site we may need to contact you for additional information required to process or fulfil your request. However, unless compelled by applicable legislation, we will not provide this information to a third party without your permission, except as necessary to process your enquiry or fulfil your requests. This site may use technology that lets us collect certain technical information like your IP address, operating system, your browser type, traffic patterns and the address of any referring Web sites.

Security

Please note that, although no system of technology is completely infallible, Intersurgical has endeavoured to take appropriate measures to prevent risks of unauthorised access to or improper use of your personal information.

Accuracy of collected data

Intersurgical will, on its own initiative or at your request, update or erase any erroneous or outdated personal data retained in connection with the operation of this Site.

Visitor identification

From time to time 'cookies' may be placed on your computer to allow us to identify you. This allows us to personalise the site for the user and view how, and when, specific users visit the site. This enables us to continually improve the site for a better user experience. The use of cookies is an industry standard. Cookies are stored on your computer and used only to view information on your hard drive that was put there by a cookie from this Site. If you do not wish to receive cookies you may set your web browser to prevent them.

Changes

Intersurgical may change access to this Site, or any content, at any time with or without notice.
