CONFIRMATION

ON ELECTRICITY FROM RENEWABLE

2026.11.09

Hereby UAB “Enefit” confirms that it has concluded the Electricity Purchase and Sale Agreement No. EL2022021017980LT (hereinafter – the **Agreement**) with UAB Intersurgical (hereinafter – the **Customer**), Pursuant to the Agreement, during the period 2024.01.01 – 2031.12.31, the renewable origin of the electricity consumed by the Customer will be substantiated by guarantees of origin issued in the Republic of Lithuania or another country of the European Economic Area (EEA).

UAB “Enefit” ensures that the required quantity of guarantees of origin is used to substantiate the renewable origin of the electricity purchased by the Customer under the Agreement, in accordance with the provisions of the Agreement and applicable legislation.

The administration of guarantees of origin, the supply of electricity, other rights and obligations of the parties to the Agreement are set out in the Terms and conditions of the Agreement.

This document confirms only the renewable origin of the electricity purchased under the Agreement and its substantiation by guarantees of origin. It is not a certificate of the Customer’s activities, products, or environmental impact.
